Project: KSRSD-GATS Tsunami Rehabilitation

Date: September 30, 2006

Contact: Dr. Rema Saraswati

KSRSD – GATS Tsunami Rehabilitation Project supports two child care centres for the long term rehabilitation and welfare of the fishermen community affected by the devastating tsunami in the year 2004. There are 40 children, 25 in 30 to 60 months category and 15 below 30 months enrolled in the day care. They are taken care of by four workers.

Activities of the Centre during the past four months are as follows:

- The day care timings are 8.30 AM to 3.30 PM
- Children are provided with nutritious food prepared at the centre
- Children above 2 years are imparted education through learn-while-play methods
- Children are taught the basic skills of maintaining personal health and hygiene
- Mothers' meetings held on practices of healthy food and nutrition
- Medical camp held for the children and de-worming medicines and multivitamin tablets distributed

Other related activities in Koraiuppam:

- Tailoring training for the mothers to enhance their livelihood is in progress
- Two youth clubs are functioning taking up various community services including maintaining the environment clean, and organising programmes for the youth in their area.
- As a result of the constant work in the community KSRSD selected two children under the educational support program during 2006-07.

On 10.10.2006 at the centre
