Dear Ms. Khush:

We, in the Atlanta Tamil community, organized under the banner of the Greater Atlanta Tamil Sangam (GATS, a non-profit, tax-exempt organization, Federal Tax ID: 56-2305795), are pleased to donate our small contribution (\$2,601.02) toward the relief efforts of Save the Children in the remote corners of the earthquake-affected area in Pakistan and Kashmir. We represent about 300 Tamil speaking families living in Atlanta, Georgia, USA, and are part of a Diaspora around the globe with nearly 70 million of us speaking Tamil, originally being hailed from the state of Tamil Nadu, India. We request Save the Children to use this money in the hospital project that cares for the sick and wounded in the October earthquake in Pakistan.

We realize that ours is only a very small contribution, but have every confidence that this miniscule contribution will have a positive impact in the overall efforts of Save the Children, which we hope will bring enormous difference in the lives of so many in that area. In spite of the fact that the breadth and enormity of this natural disaster is still unfolding, and that the road to recovery is going to be long and tortuous, we are very optimistic about the successful outcome, and wish Save the Children the best in this noble recovery effort.

Also, we are very pleased to inform you that we made contributions, again in our small ways, to the recovery and rehabilitation efforts of other agencies, including Save the Children, in the other two natural disasters, Tsunami, and Katrina, which ravaged the poorest of the poor within a span of 12 months in 2004-2005. To learn more about our ongoing charity work, please go to www.gatamilsangam.org

We are truly impressed with the work of your organization in more than 100 countries in bringing real change in the lives of the most vulnerable population, Children, of the society. We wish you a continued success in this effort. Thank you very much.

Sincerely,

GATS Charity Committee
